Lauren Moses

Senior Digital & Marketing Designer

Senior Digital & Marketing Designer with 15+ years of experience creating brand, campaign, and web experiences for global and regional companies across fintech, telecoms, finance, and FMCG sectors.

Currently working remotely with a US-based SaaS company, leading digital marketing design across web, campaigns, events, and sales enablement.

Experienced in maintaining Webflow websites, building conversion-focused landing pages, and producing cross-channel marketing assets.

Strong collaborator across marketing, product, and leadership teams, with experience mentoring designers and maintaining brand consistency across platforms. Known for adaptability, ownership, and continuously evolving with new tools and technologies.
